

## PRESS RELEASE

**ROYAL HASKONING**

### **Highest point of construction Praktijkschool Vijverberg Arnhem**

On November 18 a milestone was reached in the construction of the Praktijkschool Vijverberg in Arnhem (NL) by celebrating the reaching of the highest point of the building. The new educational building, designed by Royal Haskoning Architects, will be finished by the end of June so that the lessons can start after the eummer.

Besides Architecture, Royal Haskoning also made the structural design and building services.
